Touch Pro+ 86" Display Bundle — Model: TP-YLK86-PRO

Enterprise Boardroom System with Integrated Yealink Dual 4K Camera & Table Microphone Array

YEALINK POWERED | DUAL 4K PTZ | MTR & ZOOM | 86" 4K UHD

Yealink Dual-Eye 4K PTZ

Top-mounted Yealink optical camera system with dual-eye auto-framing & intelligent speaker tracking.

Table Expansion Mics

Includes Yealink tabletop microphone pods delivering 360° voice pickup with noise elimination.

50-Point Precision Touch

Zero-gap optical bonding panel with ultra-smooth write capability and 4mm Mohs 7 toughened glass.

Dual OS Architecture

Native Android 16 Enterprise + Intel® Core™ i5/i7 OPS running Windows 11 Pro MTR Edition.

Yealink Video Conferencing Integration

Fully engineered bundle pairing the Touch Pro+ 86" 4K interactive panel with Yealink's dual-camera PTZ vision system and wired/wireless table array microphones for crystal-clear boardroom audio.

86-Inch Executive Form Factor

Optimal dimensions for medium-to-large conference spaces (14–24 seats). High-brightness anti-glare display panel ensures flawless visibility from any seating angle.

Heavy-Duty Mobile Workstation Kit

Includes the reinforced dual-column mobile trolley stand with heavy-duty lockable casters, accessory equipment shelf, and integrated cable routing channels.
